TBall: Core y McLean

County meetin, see how that looks, 2 teams this year. Some county could give us some possibly Lac Ste. Anne does 7 per team, might be possible. One coach, not another yet. TBall gets own shirt provided by sponsors, Jensen Insurance and Leon's Carpet and Paint, same as per usual.

League Updates:

Mites-Lac Ste. Anne- 8 other teams, Darwell, Anslemo, Alberta Beach, Rich Valley, Onoway. Rulebooks will be given out, playoffs need to have a meeting, coaches will go to that. Darwell is the year end tournament.

Pembina House for everyone else. Good numbers there except U19 are at Edmonton Youth Softball did look into others but they weren't as good for us. Geographically done for our teams we play. More teams this way. We still need coach for this team. Junior Rookie needs a coach as well.

#### Competitive Baseball:

One in every age group. Bantam might do cuts still.

We put into host every weekend except one where Rod Callihoo, the Midget coach is not available.

Emails will go out with contact to the coaches. Non-competitive teams must collect for their own ump's.

\$30/game & mileage for competitive

Fred suggests collecting right on RAMP for the ump's for softball as well instead of just collecting from parents.

#### New Business:

Criminal Records Check-right on RAMP, is it necessary? West says it is important, Mike will do it himself, if it is easy, and cheap we will do it. If not, can look at RAMP

Gym Rentals- Coaches pay flat fee so we can use it when we want Tuesday, Wednesday, Thursday, Friday. Coaches will settle that out themselves 7-9 email each other. The arena charges \$26.50/hr. We have the net so we could do 2 at a time. Town says they could potentially give us it free while the walking track is open. Need to look into that Competitive will get 1<sup>st</sup> dibs because of fees they pay.

Entripy Shops- buys as a group if you can, cheaper but can put numbers, names on them while ordering.

Competitive went with orange top and grey bottoms

House is still going with black. Try to get rid of the old stock this year of Black Orioles gear.

#### Player movement:

Proposing standard 9U & 7U and TBall forms just like Baseball and no player movement at those levels. They can only happen to balance out teams, families, to save on driving, or coaching staff, to find them.

Most wanting to move are 6 & 7 year olds this shouldn't be an issue. Baseball AB doesn't have competitive until U11 and AAA at U13. It will be offered to the oldest and this will be temporary, only for that year, not every year.

The coach can make accommodation for the kids if they want it to be more competitive.

Board voted, all six said yes.
